Fundraising for Ablution Block

We are upgrading our men's and women's toilets using funds from Endeavour Foundation. Our contribution to this Project is our volunteer whanau and we would like YOUR help.

We are asking for your help, whether it be a contribution in labour, in kind or through your commitment in joining our Manaaki 400 Club. We want YOU to be involved in our Marae. We are upgrading in readiness for Te Matatini National Kapa Haka Festival in 2017. We are hosting one of the performing groups who are travelling to New Zealand from Perth, Australia.

Our NEW Website is now available for everyone to view and register. We would love your positive feedback. The site will be live for 90 days after which any comments and updates received, will be noted and changed as needed.

If you whakapapa to the Marae through Ngati Maahu, Ngati Hinepare or Ngai Tawhao and can provide your tipuna links, we would love to share our website with you and your whanau.

Do you have copies of any photos and experiences that you would like to publish and embellish our news items. Please email a jpeg image file to admin@moteomarae.nz

Our Website is a separate entity from our Te Whanau o Moteo Facebook page, where many whanau are presently keeping in touch. You will find a Forum page for whanau to register online. You can introduce yourself and if you have product to sell, swap or give away, then the Forum page should do the trick. Please send me feedback on this page, as it's something very new to us and we want it to work both ways. Also please signup on our website Home Page.
